

Membership of the Local Governing Board and Register of Business Interests 2021/22

All Governors and Associate Members are required to declare any personal, pecuniary or business interests on their appointment, and also are reminded to update this information at every meeting of their full Governing Board and, where relevant, its Committees. This published Register will be updated annually after the first meeting of the school year; however, any changes made during the year will be recorded in the Minutes of the meeting at which they are declared. This document was last updated on 12/10/2022 and is accurate to that date. The Local Governing Board legally operates on a similar basis to a Governing Board in terms of legislative requirements such as publication of its Register of Interests. The Local Governing Board currently has no separate Committees.

NASAT Appointed Governors are appointed by NASAT (the National Autistic Society Academy Trust) either because they hold other posts within NASAT or because they were recruited to the Board before the school officially opened.

Co-opted Governors are appointed by the Local Governing Board.

Parent Governors are elected by the school's parents and carers.

Staff Governors are elected by the school's staff other than the Headteacher whose place is automatic from start date in post unless a Headteacher declines it.

Associate Members are not Governors, but may sit on the Local Governing Board, usually because they have specific skills. They can be appointed for between one and four years.
